United States District Court of Delaware
844 North King Street
Wilmington, DE 19801

Re: *Sight Sciences, Inc. v. Ivantis, Inc.*
C.A. No.: 21-1317-GBW-SRF

Dear Judge Fallon:

I write regarding construction of the term “fluted edges,” which is Term 5 in the Joint Claim Construction Brief. *See* D.I. 118 at 46-49. During the *Markman* Hearing on February 9, 2023, the parties agreed to explore whether they could agree on the construction of “fluted edges.” After written exchanges and a meet and confer involving Delaware counsel, the parties have not been able to agree on a construction. Sight Sciences respectfully requests that the Court rely on the briefing on this issue.

Respectfully,

/s/ Melanie K. Sharp
